## Method

1. Using your jigger to measure add the tequila and crème de cassis to your cocktail shaker
2. Squeeze 25ml of lime juice and add it to your shaker
3. Fill your shaker with cubed ice and put the lid on
4. Shake vigorously for 10-15 seconds or until your tin is very cold
5. Fill your high-ball glass with cubed ice
6. Using your strainer, pour into the glass
7. Fill with ginger beer
8. Garnish with a lime wedge
9. Serve in a glass and enjoy!
